POLO AT MOANALUA

Names and Mounts of Competing Teams.

Red and Blue to Battle in the Turfed Arena.

Exciting Game Promised Tomorrow Between Kauai and Oahu.

The crowd that is sure to attend the polo match at Moanalua tomorrow between the Kauai and Oahu teams will see the speediest game played in these Islands. The men are well mounted, well matched and are playing on a perfect field, a return match to the one in which Oahu won by a score of 6-4 after the closest and hardest contest played to date.

While the home team will have of course the greatest number of partisans, it is a moot question whether, to those who know the game, Kauai should not be favorites. They have been improving steadily in team play since they espoused the game, have excellent ponies and at least one of their men is playing a much better game than when the same quartet played and lost to Oahu. They have one handicap, their lack of acquaintance with so speedy a field. This they remedied to some extent yesterday by a long practice. They will put up a hard game and their win, if it comes off, will do much for inter-island polo.

The Oahu men are not in their best fettle. They have had no first class men to practice against this season.

Had they been lined up several times against such a combination as Judd, Shingle, Potter and Angus, all of whom are not playing this season, their game would be much stronger. The four men are good at the game but they have had only to display offensive tactics in practice against weak opposition and the aggressive work and good riding of Kauai will undoubtedly act as a setback, which may of course be only temporary. Also there are three games to be played.

Oahu has two substitutes and may need them. Atkinson's knee is liable to give out riding off Rice, and Castle will have a hard strain in keeping up for four periods. Fortunately the substitutes, should they be needed, are first class men, a little out of practice perhaps, but splendid for an emergency. The teams with positions, colors, and ponies are as follows:

OAHU (BLUE).

R. W. Atkinson, No. 1—Derby, blue roan; Cocktail, white; Highball, buckskin; Silver Pezz, brown, wh face; Harold Castle, No. 2—Puck, brown; Stephanus, buckskin; Gypsy, black; W. F. Dillingham, No. 3—Puuloa, brown; Charcoal, black; Grandma, white; Venus, bay.

Charles S. Dole, No. 4—"405," sorrel; Zuleika, white; Hakulani, bay; Pauline, bay.

KAUAI (RED).

James Spalding, No. 1—Sunflower, brown; Pono, bay; Lady Bess, sorrel; Ruby, brown.

John Malina, No. 2—Bob Wilcox, brown; Kauai Boy, bay; Mokihana, sorrel; Honi Kaua, black.

Charles Rice, No. 3—Picaninny, bay; Enoka, roan; Sure Kela, bay.

Arthur Rice, No. 4—Baby, white; Forty-Two, bay; Strawberry, roan.

The game starts at three. Special buses from the end of the line will connect with the King street cars, leaving Fort street at 1:58, 2:08, 2:18 and 2:28. Admission by ticket or at the gate, 50 cents.

The officials are S. M. Ballou, C. W. Dickey, umpire, C. H. Cooke, referee, F. B. Damon and J. L. Fleming, at goals.

FOOTBALL SATURDAY.

Kamehameha vs High School on the Punahou Grounds.

The third game in the inter-scholastic football league will be played Saturday, 3 p. m. at Punahou. The High School and Kamehameha will play. The Kamehameha team lines up as follows:

Left end, Kamali; left tackle, Morton; left guard, Kamakau; centre, Kealoha; right guard, Kahilikola; right tackle, Hamauku; right end, Pa or Hanchett; quarter back, C. Lyman; right half back, Desha; left half back, A. Lyman (Capt.); full back, Oliver.

Sad part of it: "What did you do with that fellow who stole the horse?" asked the tenderfoot. "Nothin' much," answered Broncho Bill—"jist took the horse away from him." "Is that all?" "Yep. He war settin' in the saddle with a rope around his neck tied to a tree when we took the horse away, though."—Indianapolis Sun.

Annual Meeting of the Hawaiian Association Football League is Held.

The association football season will open on December 19th. The annual meeting of the Hawaiian Association Football League was held at the Scottish Thistle Club rooms last evening and plans for the coming season were discussed. About thirty members of the league were in attendance, and much interest was manifested over the prospects for the coming league series. Reports of the various officers showed the association to be in good financial condition.

New officers were elected as follows: F. Munroe, president; J. Laird, vice-president; A. S. Guild, secretary; J. H. Catton, treasurer.

It was decided to open the season December 19th at the Makiki grounds. No schedule was arranged, this work being left to the league committee. It was agreed however that each team should play every other club two games, making twenty games for the season. Games will be played every Saturday.

Five teams have been organized for this season. Those represented are the Maile Ilmas, Healanis, Pacifics, High Schools and Punahou. Some of the teams are already practicing and it was decided to make Mondays, Wednesdays and Thursdays the regular practice nights.

The referees for the coming season will probably be J. W. Waldron, Percy Morse and D. W. Anderson. The league at the meeting last evening decided to ask all three of these men to act as referees during the season.

It was also decided to send to England for copies of the new association football rules. The league agreed to purchase one hundred copies of the rules and to supply every player.

There will also be a junior association football league. Four and probably
